Sage Business Care Plans

Sage Business Care plans maximize your software investment in Sage Pro ERP by giving you access to technical expertise, automatic version upgrades, and regular service pack updates, along with online training courses. Sage Business Care plans are designed with the most frequently requested service options so you get peace of mind knowing your system and business can continue to grow and prosper into the future.

Sage Business Care Bronze Plan

Maximize your software investment by keeping it up to date—effortlessly and cost-effectively. Technological enhancements are added regularly to increase the robust functionality of your original Sage Pro software investment. These time-saving, productivity-boosting features are implemented based on suggestions from customers just like you. By keeping your software up to date with the latest version upgrades and service pack updates, you can be confident knowing your solution is operating at peak performance.

In addition, the Sage Business Care Bronze plan also includes special training offers from Sage University and an e-newsletter that includes late-breaking product information and user tips.

Sage Business Care Gold Plan

The Sage Business Care Gold plan is the total maintenance and support solution if you rely on Sage Pro solutions to help you run your business. Enjoy cost savings and peace of mind with Sage Business Care Gold, the unlimited support plan.* In addition to the features in the Sage Business Care Bronze plan, you have access to unlimited toll-free telephone support and e-mail access to friendly experts who are focused on helping your business succeed.

Sage Business Care Payroll Update Plan

For customers using Sage Pro Payroll, a Payroll Update Plan (PUP) provides U.S. federal and state payroll tax updates and magnetic media software so you can handle payroll in-house and make sure your payroll system is in compliance. With this service, you can manage the critical tasks of processing payroll tax withholding and reporting quickly, accurately, and easily—for a fraction of the price of an outside payroll service.
