

Order before June 29, 2007, and Save up to 50% on Sage Accpac Options products!

If you order:

SAVE:

Two Sage Accpac Options products

25% off the SRP of the second Sage Accpac Options product*

Three or more Sage Accpac Options products

50% off the SRP of the third (and additional) Sage Accpac Options products*

- Discount taken before Software Assurance subscription and tax.
- One discount only per customer.

This promotion offer is only valid for Sage Accpac Options products in the United States and the Caribbean, and may not be combined with any other promotions. The offer is not valid for Sage Software development partner products or on other Sage Software products or services.

Your business in mind.

Please note: A one-year Software Assurance subscription is required with the purchase of new Options products (minimum 18% of SRP for Software Assurance).

For minimum hardware and software requirements for any ERP solution, look for our recommended system requirements page at

www.sageaccpac.com, www.sageproerp.com, or www.sagebusinessvision.com

To order Options products, or for more information, please contact your authorized Sage Software business partner or call 800-416-1103.

Program prices, specifications, system requirements, and program requirements are subject to change without notice. Information contained in this document supersedes any previously published information about these products. The information herein is subject to errors and omissions.
